VERY SMART MOVE

KING HILL, Idaho – January 22, 2010 – Annie Reynolds today announced the move of VERY SMART REMEDY to Cinder Lakes Ranch where he will stand for the 2010 breeding season.

Reynold's continued dedication to keeping Very Smart Remedy at the forefront of the National Reined Cow Horse industry has guided her in making this decision. "I'm very excited to have Very Smart Remedy moving to Texas. He will be joining not only an exclusive group of stallions but also an elite group of mares and mare owners," said Reynolds.

With this young stallion's bright future, Cinder Lakes Ranch is the ideal location for VERY SMART REMEDY to stand for the 2010 breeding season. "We are really excited to have such an upstanding athlete being a part of our program and to help Annie expand hers" says Rick Ford, the owner of Cinder Lakes. The Ranch's convenient location in the heart of the performance horse industry and their commitment to exceptional, affordable mare care makes Cinder Lakes Ranch the perfect solution for VERY SMART REMEDY'S reproductive needs. "Rick Ford is young and enthusiastic about the performance-horse breeding business. He is smart, and dedicated to staying on the cutting edge of the rapidly changing equine reproduction field. I also like Rick's hands-on approach and the personal care that VERY SMART REMEDY and client mares will be receiving," Reynolds has said about the move.

VERY SMART REMEDY has earned in excess of \$103,000 and is the new up-and-coming Reined Cow Horse stallion. "He's a phenomenal horse, just a great horse. He's one of those once-in-a-lifetime individuals that can dominate events like he has and I feel fortunate to have been able to ride him," said Jon Roeser, who trained and showed VERY SMART REMEDY. VERY SMART REMEDY, by the great Smart Little Lena and out of Remedy's Response, is a standout horse in the NRCHA with titles such as World's Greatest Horseman, two-time NRCHA Derby Champion, Hackamore Champion, and Idaho Cutting Horse Association Open Derby Champion.

VERY SMART REMEDY is a 1999 Sorrel Stallion with offspring earnings over \$404,000, including five in the NRCHA Open Snaffle Bit Futurity finals, and one finishing in the top five at the NRHA Futurity. Annie Reynolds is the #1 NRCHA Lifetime Leading Non Pro Rider, a Million Dollar Rider, and #1 NRCHA Lifetime Leading Owner of Reined Cow Horses.
